

Subject: Temporary Use Permit for Municipal Parking Lot (no civic address)

The District would like to use the municipal parking lot at the corner of Cadboro Bay Road and Cranmore Road on a temporary basis as a recycling drop-off location. The depot will be staffed by employees of The Bottle Depot and will operate on Saturday and Sunday for approximately 8 hours per day. This service is being offered through the CRD Beyond the Curb initiative.

The parcel is zoned R-5 Residential. Oak Bay only allows “Limited Recycling Depot Use” on one specific parcel within the P-1 zone. The District is seeking a temporary use permit to allow Limited Recycling Depot Use on this parcel as well.

No structures will be constructed on the site, however the District is seeking permission to install one shipping container with approximate dimensions of 6.1 m long by 2.44 m wide.

Thank you for your consideration.
